

Bellingham Sister Cities Peace Grant 2022

Tell us what you'd do!

The Bellingham Sister Cities Association (BSCA) is a community-based organization helping the citizens of Whatcom County to develop relationships and build a sense of community with our sister cities worldwide. The *Bellingham Sister Cities Peace Grant* is funded by the Bellingham Sister Cities Association. The objective of this grant award is to improve and expand existing relationships between Bellingham and its seven Sister Cities. The winning proposal would reach out into the community of one of these cities, create something that continues long past the winner's travel, and make a lasting impression on its citizens and, ideally, even the world.

Our mission is to promote world peace through international understanding, cultural sensitivity, and the promotion of tourism and economic exchange between the seven cities. This mission is accomplished through cultural exchanges, educational programs and community events. The *Peace Grant* was created to help facilitate this mission. The *Peace Grant* exchange funding program supports Bellingham Sister City partnerships by providing funding for local Whatcom County residents to make outbound exchanges to one of our sister cities. A total pool of \$1500 is available to be awarded to one or more individuals who plan to travel to one of our sister cities in 2022, apply, and are chosen. Due to Covid-19 there is flexibility on these 2022 travel. Members should submit questions via email to peacegrant@bsca.org.
